

CONSTRUCTION SITE SAFETY AND HEALTH

FOLLOW THESE PREVENTATIVE GUIDELINES TO PROTECT YOURSELF AND OTHERS FROM THE CORONAVIRUS (COVID-19)

Wash your hands regularly for 20 seconds or use hand sanitizer containing at least 60% alcohol.

Maintain 6 ft apart from others in work areas, gatherings and meetings.

Cover your cough and sneeze.

Minimize carpool/ride share, ensure ventilation, or drive to work sites yourself.

Bring own food, water and drinks in containers. No sharing food or drinks.

Avoid touching your face.

If you have illness symptoms, or are sick, notify supervisor, go or stay home.

Reduce group size to 10 people or less.

Avoid sharing tools.

Clean and disinfect frequently used tools, equipment and work areas regularly.

Use respirator masks, if available to minimize airborne contaminants.

Use proper PPE when cleaning and disinfecting, such as gloves and eye protection.
